## Recording Secretary Needed

The UHOA board of directors meets 9 times a year and is looking for a Recording Secretary to help us keep track of things.

We're on a uni-level pay scale which means everyone gets the same pay as the board president - - - nada. But you do get a title.

Also, if you have \$.02 to spare you're invited to put in the pot. Fresh ideas are always welcome.

If it sounds like something you would be interested in give Dick Moxley a call and he can tell you more.
